Warranty	Frame: lifetime limited Drivetrain: 2-year limited Electronics: 2-year limited Battery: 6-months

**Non-Medical Device

The intended use of this product is to provide assistance to persons with limited mobility who have the capacity to operate a motorized scooter.

- 1 Varies with user weight, terrain type, battery amp-hour (AH), battery charge, battery condition, and tire condition. This specification can be subject to a variance of (+ or -) 10%.
- 2 Tested in accordance with ANSI/RESNA, MC Vol2, Section 4 & ISO 7176-4 standards. Results derived from theoretical calculations based on battery specifications and drive system performance. Test conducted at maximum weight capacity.
- 3 Due to manufacturing tolerances and continual product improvement, this specification can be subject to a variance of (+ or -) 3%.
- 4 Battery weight may vary based on battery manufacturer.
- 5 Includes standard seat weight.
- 6 AGM or gel cell type required.
