

Backpacker[®]

PLUS

All black battery box, bracket, and new matte finish

One piece, fully assembled drive-on/drive-off platform

Single piece horizontal drive rail: Minimum welding points for noise reduction, increased rigidity, and more fluid movement

Removable, front drive panel for easier serviceability

New, angled, low-profile platform

4" more usable space

New, adjustable wheel chocks on the platform surface

Easy to install and use. The new Pride[®] Silver Star[™] Backpacker[®] Plus Interior Platform Lift features a pre-assembled single piece platform that you can drive your scooter or power chair on or off from either direction. Enhanced construction and a fresh new look give the Backpacker Plus the quality you expect and deserve from Pride Silver Star Lifts.

- 147 kg (325 lbs.) lifting capacity
