State-of-the-art manufacturing of Power Lift Recliners

100+ local employees, located in Pontotoc, MS

Owned by Pride®, 240,000 square foot facility
Premium siliconized Nan Ya fibers are separated down to the individual strand. Our DTM fiber blower distributes fibers evenly into the sewn seat back and armrests to create premium comfort and longevity.

State-of-the-art CNC router shapes and smooths integrated frames eliminating rough edges and fabric wear.

Premium furniture-grade laminate frames are hand-assembled by America's best furniture craftsmen.

Morgan Tecnica blade-bending technology allows for precise cuts, every time.

Computerized parts identification streamlines the production process.

Pride employees with an average of 15 years experience cut and sew fabrics domestically, resulting in the finest looks and a precision-detailed finish.

Premium furniture-grade laminate frames are hand-assembled by America's best furniture craftsmen.
The Oasis brings a new level of comfort to Pride’s Power Lift Recliner collections. Overstuffed padding provides elegant comfort and design, while contoured memory foam seating and pocketed coils deliver individualized support and relaxation. Features include a unique quad pocket design for extra storage and an easy-to-use hand control with USB charger port. The Oasis is available in true infinite-position and 3-position full recline.

Any product designated as Non-Medical (NM) are not medical devices and are not meant to assist, treat, diagnose, or alleviate any medical condition or disability.
The 2-position TV recline is achievable on all Pride® Power Lift Recliners. This is a comfortable position for performing many relaxing activities including reading, watching TV, working on your tablet, or for conversation with family and friends.

The 3-position full recline is available on most Pride® Power Lift Recliner models and puts you in a position ideal for napping or relaxing.

The true-infinite position recline is perfect for taking a nap. Infinite-position Pride® Power Lift Recliners enable the backrest and footrest to move independently from one another so that a variety of positions can be reached.

The Trendelenburg position, available on the LC-525i, LC-580i and 515iL, elevates one’s feet higher than his or her head for increased comfort and relaxation.

The zero gravity position, which can be reached on infinite-position Pride® Power Lift Recliner models, positions one's thighs and lower legs higher than his or her torso.

Can achieve infinite (two, three, infinite) and lay flat positions.

The zero gravity position, which can be reached on infinite-position Pride® Power Lift Recliner models, positions one's thighs and lower legs higher than his or her torso.
Ultrafabrics® Ultraleather™ on Pride® Power Lift Recliners offer a richly detailed grain pattern expressive of premium grade leather. Ultrafabrics’ polyurethane products are manufactured utilizing Tukumi™ technology, a 4-layer laboratory process to create a luxurious, durable and comfortable polyurethane fabric.

FEATURES AND BENEFITS

• Rich feel and natural grain pattern expressive of soft luxury-grade leather
• Clinically proven more resistant to temperature changes than vinyl and genuine leather for comfort
• Antimicrobial surface cleans effortlessly with soap and water
Crypton® Super Fabrics from Pride® Power Lift Recliners are not only luxurious, durable and contemporary, but also resist spills, stains, odors and bacteria. Nothing gets past Crypton’s unique patented integrated fiber process, protecting your upholstery inside and out.

FEATURES AND BENEFITS

• 100% water resistant – spills just wipe away
• Only disinfectable fabrics in the U.S. approved by the EPA
• Permanent technology that will not come off the fabrics
• 5-year warranty on moisture barrier
Lexis Sta-Kleen® Performance Fabric is a revolution in faux leather upholstery — the first stain resistant urethane fabric. Sta-Kleen offers permanent protection, created with a proprietary bonding process inherent in the manufacturing process of the product. It is not a topical application; it will last the lifetime of the upholstery.

FEATURES AND BENEFITS

• Look and feel of real leather, but with care-free durability
• Exceptional strength, abrasion resistance, and UV stability
• “Stain shield” allows spills to wipe off with a cloth, and it’s anti-bacterial
