GO·GO ELITE TRAVELLER PLUS

THE QUICKEST WAY TO TRAVEL.

GO-GO ELITE TRAVELLER® PLUS

The **Go-Go Elite Traveller® Plus** was designed to bring travel scooters to a greater range of people than ever before. An increase in length and width, and a weight capacity of 147 kg (23 Stone 3 lbs.) combine with wraparound delta tiller to allow both the larger individual and those with limited dexterity to experience the benefits of a specific travel mobility product for the first time. Feather-touch disassembly makes the Go-Go Elite Traveller Plus the easiest travel scooter to take along anywhere.
