

**NOTE:** The following information replaces Appendix A in the Power Lift Recliner Series Owner's Manual that accompanied your Power Lift Recliner. It specifies the weight capacity of your NM415 Power Lift Recliner. You must read the Power Lift Recliner Series Owner's Manual and all supplemental information before use. Please retain this information for your records, and contact your authorised Dealer with any questions.

| POWER LIFT RECLINER WEIGHT CAPACITY   |                                    |
|---|------------------------------------|
| Model Number  | Rated Weight Capacity              |
| 101, 107, C10KD, C15KD  | 147 kg/23 stone 3 lbs. (325 lbs.)  |
| 200KD, 300KD, 560KD, 570KD, 660KD, 670KD, C20KD, C30KD, 500, 600, 800, D2KD, D30KD, L60, L70, 415 | 170 kg/27 stone 11 lbs. (375 lbs.) |

| POWER LIFT RECLINER MODEL NUMBERS   |
|---|
| 200KD, 300KD, 560KD, 570KD, 660KD, 670KD, C10KD, C15KD, C20KD, C30KD, 500, 600, 800, D2KD, D30KD, L60, L70, 101, 107, 415 |

**MANDATORY!** Stay within the specified weight capacity of your Power Lift Recliner. Exceeding the weight capacity voids your Pride Power Lift Recliner Recliner warranty.

**NOTE:** Power Lift Recliner model numbers may contain a prefix or suffix (i.e. prefixes CL, LC, or NM; suffixes S, M, L, PW, etc.). When using the table above, look for only the numeric portion of your specific model.
